

KS4 English Curriculum Map (Year A/B)

Commencing: September 2025

Assessment and Progress						
Assessment in English begins with baseline assessment using Century to identify students' starting points and areas for development. Ongoing formative assessment includes questioning, discussion and written work to support progress. Students work towards Functional Skills and/or GCSE English, showing progress through improved reading, writing, speaking and listening skills, as well as increased confidence in applying English in a range of contexts.
