

## KS4 iMedia Curriculum Map (Year A/B)

Commencing: September 2025

Assessment and Progress						
<p>Assessment in iMedia follows the NCFE Level 1 framework and is evidence-based, focusing on coursework, practical tasks and project outcomes. Students demonstrate progress through the development of creative, technical and digital media skills, alongside planning, evaluation and problem-solving. Evidence of learning is gathered through completed units, portfolios and teacher assessment over time.</p>
