

KS2 Science Curriculum Map (Year A/B/C/D)

Commencing: September 2025

Assessment and Progress						
Assessment in Science is primarily formative and based on observation, questioning, discussion and practical investigations. Pupils demonstrate progress through developing scientific knowledge, using enquiry skills, and explaining ideas using appropriate vocabulary. Evidence of learning is gathered through practical work, written outcomes, discussions and ongoing teacher assessment over time.						
	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
Year A Year 3	Rocks & Fossils	Light	Forces & Magnets	Animals Including Humans	Plants	Living Things & Habitats
Year B Year 4	States of Matter	Sound	Electricity	Animals Including Humans	Living Things & Habitats	Weather & Climate
Year C Year 5	Earth & Space	Forces	Properties of Materials	Changes of Materials	Animals Including Humans	Weather & Climate
Year D Year 6	Evolution & Inheritance	Light	Electricity	Animals Including Humans	Living Things & Habitats	Weather & Climate
