

KS1 English Curriculum Map (Year A/B)

Commencing: September 2025

Assessment and Progress						
<p>Assessment in Key Stage 1 English is primarily formative and based on observation, questioning and engagement in reading, writing and spoken language activities. Pupils demonstrate progress through developing phonics knowledge, early reading skills, simple writing, and growing confidence in speaking and listening. Evidence of learning is gathered through classwork, teacher observation and ongoing assessment over time.</p>
