

KS2 Art & Design Curriculum Map (Year A/B/C/D)

Commencing: September 2025

Assessment and Progress						
Assessment in Art & Design is mainly formative and based on observation, discussion and review of pupils' work. Pupils demonstrate progress through developing skills with a range of materials and techniques, increasing creativity, and the ability to evaluate and refine their own work. Evidence of learning is gathered through sketchbooks, final pieces and ongoing teacher assessment over time.
