

## KS1 Art & Design Curriculum Map (Year A/B)

Commencing: September 2025

Assessment and Progress						
<p>Assessment in Key Stage 1 Art &amp; Design is mainly formative and based on observation, discussion and practical activities. Pupils demonstrate progress through exploring materials and techniques, expressing ideas creatively, and talking about their own work and the work of others. Evidence of learning is gathered through completed artwork, sketchbooks and ongoing teacher observation over time.</p>
