

KS3 PSHE Curriculum Map (Year A/B/C)

Commencing: September 2025

Assessment and Progress						
Assessment in PSHE is ongoing and largely formative, using the JIGSAW approach to support reflection, discussion and self-assessment. Pupils demonstrate progress through their participation, ability to express views respectfully, and growing understanding of key concepts over time. Evidence of learning is gathered through pupil voice, class discussions and end-of-piece reflections rather than formal testing.
